

# Family Physician Opportunities New Practices Brantford, Ontario

Opportunities for family physicians to take over established family practices in the growing community of Brantford & Brant County. Located in the picturesque Grand River Valley, 20 minutes west of Hamilton, the community offers outstanding recreational opportunities including endless biking and hiking trails in an unmatched natural playground. Brantford was named by Mclean's magazine as the "best city in Canada to buy real estate" in April 2018.

The mid-sized community hosts a leading edge community Hospital and is a teaching hub for McMaster University medical education as a part of the Grand Erie Six Nations CEC. The Brant Community Healthcare System offers a 300+ bed acute care facility with state of the art programs and specialists that support primary in the community.

We currently have opportunities for family physicians to establish new family practices in the community. This presents an opportunity to work with other family physicians part of a Family Health Organization (FHO) group with fully supported clinic practices as well as to set up new independent practices.

For more information about practice opportunities, contact **Lebene Numekevor, Director of Medical Affairs** at [Lebene.Numekevor@bchsys.org](mailto:Lebene.Numekevor@bchsys.org)
