

Associate Intensivist

Brant Community Healthcare System

Brant Community Healthcare System (BCHS) is a 300+ bed, acute care facility boasting state-of-the-art Programs within a team environment and with dedicated staff that ensure high-level, patient-focused care. The organization comprises of two main hospital sites, the Brantford General Hospital and Willet Hospital in Paris. Located in the picturesque Grand River Valley 20 minutes west of Hamilton, our community offers outstanding recreational opportunities.

BCHS is the area's acute care facility, providing all of Brantford and Brant County's specialty programs and services for our 120,000+ residents. We are a regional centre for a variety of services including surgical services. The Division of Critical Care provides coverage to the Brantford General's recently expanded Critical Care Unit now comprised of a total of 24 critical care beds across two units with 17 level 3 and 7 level 2 beds. Both units are closed CCU units managed by intensivists. The intensivists are also responsible for the Physician-Led Critical Care Response (CCRT) program.

The Division of Critical Care at the Brant Community Healthcare System is currently recruiting a full time intensivist. This opportunity includes both inpatient work on our Critical Care Units (CCU) and with the CCRT team. Intensivist coverage includes both daytime and overnight in-house coverage of the service.

The ideal candidate will have an independent practice license from the College of Physicians and Surgeons of Ontario and Critical Care Medicine certification with the Royal College of Physicians and Surgeons. We are looking for individuals with exceptional interpersonal and collaborative skills, and a dedication to service excellence. They should also be a strong team player to work effectively with physicians, nursing, staff, patients, managers and the community with a commitment to quality improvement and medical education.

BCHS is affiliated with McMaster University as a Mac-CARE site, part of the Grand Erie Six Nations Clinical Education Campus. The organization provides opportunities for continuing education, teaching and research for professional staff. Members of the division of Critical Care are expected to participate in the teaching of medical students and residents.

BCHS serves a high population of indigenous persons in the region therefore culturally appropriate care for indigenous patients is a priority to the organization. Physicians with experience and an interest in caring for indigenous persons are encouraged to apply.

Interested candidates should submit their letter of interest and curriculum vitae by **April 1, 2025** to:
