

# Full Time Medical Oncologist

## Brant Community Healthcare System

The Department of Internal Medicine at the Brant Community Healthcare System is currently recruiting for a full time Cancer Care Ontario funded **Medical Oncologist**. This physician will be joining our oncology service working closely with oncologists from the Hamilton Juravinski Cancer Centre (JCC) to provide services in Brantford. Clinical responsibilities will include outpatient oncology care, supporting and triaging consultations from the hospital wards and the emergency department as required, and will also take part in the call rotation of JCC.

Brant Community Healthcare System (BCHS) is a 300+ bed acute care facility boasting stable, state-of-the-art Programs within a team environment and with a dedicated staff that ensures high-level, patient-focused care. The organization comprises of two main hospital sites, the Brantford General Hospital and Willet Hospital. Located in the picturesque Grand River Valley 20 minutes west of Hamilton, our community offers outstanding recreational opportunities.

BCHS is the area's acute care facility, providing all of Brantford and Brant County's specialty programs and services for our 120,000+ residents and boasts stable, state-of-the-art programs within a team environment that ensures high level patient-focused care. We are a regional centre for a variety of services including surgical services. The Department of Medicine is comprised of a number of divisions including General Internal Medicine, Critical Care, Oncology, and Nephrology.

The ideal candidate will have independent practice license from the College of Physicians and Surgeons of Ontario and a Medical Oncology certification with the Royal College of Physicians and Surgeons. We are looking for individuals with exceptional interpersonal and collaborative skills, and a dedication to service excellence. They should also be a strong team player to work effectively with other physicians, nursing, staff, patients, leaders and the community with a commitment to medical education. The successful candidate will have the opportunity to join the department of Oncology at McMaster University as adjunct or part time faculty and participate in academic activities including education in undergraduate and post graduate programs, as well as participating in clinical research.

BCHS serves a high population of indigenous persons in the region therefore culturally appropriate care for indigenous patients is a priority to the organization. Physicians with experience and an interest in caring for indigenous persons are encouraged to apply.

Interested candidates should submit their letters of interest and curriculum vitae by November 21, 2024 to:
